Ukraine crisis: Message from DLA Piper leadership

28 February 2022

A message from our Global leaders, Andrew Darwin, Simon Levine and Frank Ryan:

"We have all watched in dismay and disbelief as the crisis in Ukraine has unfolded, and we stand with the people of Ukraine and all those in the region, and beyond, who are affected.

"Wherever we can, we are providing support for our people and their families, and we are in the process of setting up an emergency fund. As the humanitarian crisis emerges, we are also supporting our long-term partner UNHCR through pro bono, donations and fundraising. You can find out more about their work delivering lifesaving aid in Ukraine or contribute directly by visiting this page.

"We hope this terrible conflict is resolved as swiftly and peacefully as possible."
