The meteoric rise of the data centre: Global data centre investment outlook

14 June 2022

Deal activity in data centre infrastructure has reached unprecedented levels. Our report, The meteoric rise of the data center: Global data center investment outlook, examines the reasons behind this surge in activity and the increasingly significant role ESG has to play when making investments.

Negotiating InsurTech agreements: checklist

2 June 2022

This checklist highlights the key legal and commercial issues to consider when negotiating and drafting a technology contract for a business in the insurance sector.

Episode 3: Collaboration and corporate venturing in the financial services industry

24 March 2021

The DLA Piper Financial Services Podcast

In this episode, partners Anthony Day, Chris Arnold and Michaël Heene discuss the transformation of the traditional model of retail banks and how the pandemic has expedited this change. The evolution of the banking and fintech ecosystems through investment, collaboration and other partnerships, is also examined.
