FINANCE AND MARKETS GLOBAL INSIGHT

On 23 June 2016, the UK electorate voted to leave the European Union in a so-called Brexit referendum. The exit result was a surprise for many working in the finance sector. The change will impact the position of the UK under critical legislation such as the Capital Requirements Regulation, European Market Infrastructure Regulation, Market Abuse Regulation and many other Regulations and Treaties applicable in the UK. We will also see a change as to the role of the UK in significant market initiatives such as the Capital Markets Union. It is likely that these changes will present both threats and opportunities. Until policy is clearer, we will comment on some of the existing challenges caused by EMIR and similar EU Regulations.
