Marian Dinu is one of Romania's most experienced and prominent corporate lawyer, recognized as such by the legal directories, the business community and his peers.

Marian's key areas of practice are mergers & acquisitions, equity and debt offerings and competition/antitrust. With a career spanning more than two decades, he was instrumental in major M&A and capital markets transactions, including the privatizations of a large local energy player. He regularly acts for clients in various sectors such as Energy, Financial Services, Tech, Media, as well as for PE clients.

- Advising an Israeli bank in connection with the sale of its entire participation in its local branch.
- Assisting one of the world's leading energy companies on various regulatory matters in relation to the petroleum concession agreements including the relinquishment thereof. The case entails complex issues of civil law and in-depth sector knowledge. Over the past years, we have been extensively representing the client in various judicial review cases regarding shale gas exploration in Romania in front of the national courts. The dispute resolution team won all the cases that reached the trial stage and dismissed all the claims raised by a series of environmental NGOs with an aim to block the client's exploration activities.
- Assisting and representing a leading international healthcare services provider in the nephrology field in matters related to an enforcement proceedings initially initiated against the client's creditor and continued against
