

Disputes

Disputes brings to the fore issues relating to disputes that do not discriminate by practice, sector, and, in some cases, geography. Each edition epitomizes our work, covering an array of concerns and developments that are relevant to businesses working in the world today.

ISSUES

Disputes, Issue 2

28 January 2021
Disputes

In this issue, we look at the split among the federal circuits over what it means to "exceed authorized access" in violation of the Computer Fraud and Abuse Act; the ways in which the federal courts apply the Supreme Court's recent limitations on equitable disgorgement; ways to mitigate liability risk in unauthorized financial transfers; considerations for employers as they develop policies regarding use of cannabis in their workforce; and the critical importance of escalation protocols in corporate whistleblower programs.
