Gualtiero Dragotti has over 25 years of experience of handling IP matters, with a focus on patents and the protection of innovation, particularly in the mechanical, chemical, fashion and sports equipment industries.

Gualtiero advises leading Italian and international clients on various non contentious and contentious IP cases, including some of the key patent litigation issues in Italy.

Gualtiero is admitted to the Supreme Court in Italy. He served as a Juridical Expert for the Anti-Counterfeiting National Council, appointed by the Ministry of the Economic Development.

Gualtiero has been teaching IP at the faculty of Chemistry - University of Milan as appointed Professor for over 10 years.

He was appointed as a member of the Research Project on Biotechnology under the patronage of the University of Modena and Luiss – Guido Carli International University, with the sponsorship of MIUR.

Gualtiero is a member of the Standing Committee on the Unitary Patent and Unified Patent Court of AIPPI - International Association for the Protection of Intellectual Property.

He regularly speaks at seminars and conferences organized by universities and IP concerned groups.
