**DLA Piper advises Macquarie Asset Management in establishment of a road infrastructure investment fund with Odinsa**

7 September 2021

DLA Piper Martinez Beltran represented Macquarie Asset Management in the establishment of a strategic alliance between Macquarie Infrastructure Partners V, an infrastructure fund managed by Macquarie Asset Management, and Odinsa, the road and airport concession subsidiary of Grupo Argos, for the creation of an investment platform that will manage Odinsa's current road assets in Colombia with a consolidated valuation of US\$1.15 billion.
