Companies must adapt their founding documents and file new information in the Commercial Register

19 May 2021

A new amendment to the Czech Corporations Act (Amendment), which came to force as of 1 January 2021, requires companies to implement important changes in their founding documents and file new information in the Commercial Register.

New screening of foreign investments in the Czech Republic

26 April 2021

From 1 May 2021, a new legal regulation on the screening of foreign investments in the Czech Republic will come into effect. There will be screening in place for investments into public and private companies relevant for the security protection or public order completed after 1 May of this year in the Czech Republic.

New obligations under the Act on the Registration of Beneficial Owners

11 March 2021

The new Act on the Registration of Beneficial Owners will enter into force on 1 June 2021. Under this law, legal entities will be affected by new obligations. Failure to comply with the new obligations may result in fines.
