Coronavirus: Global overview and supporting business guide

21 May 2020

As governments across the globe take drastic action to help businesses weather the storm from COVID-19, we have produced an interactive global guide which provides an insight into the issues likely to impact businesses and the key measures taken by governments across more than 50 countries, from financial support and business protection, through to employment and access to justice.

UK government to provide additional financial support measures for mid-market business impacted by COVID-19

9 April 2020

On 3 April 2020 the Chancellor announced a new scheme for larger companies, with the creation of the new Coronavirus Large Business Interruption Loan Scheme (CLBILS) to ensure that more firms are able to benefit from government-backed support during this difficult time.

Bank of England – Covid corporate financing facility

6 April 2020

On 17 March 2020, the Chancellor the Rt. Hon. Rishi Sunak MP announced that HM Treasury would provide an unprecedented level of support for UK business in response to the economic impact of Coronavirus. The total value of the package announced was GBP330 billion, 15% of UK GDP. The package included two mechanisms for businesses to access finance; the Covid Corporate Financing Facility for larger investment grade businesses; and the Coronavirus Business Interruption Loan Scheme for smaller businesses with turnover under GBP45 million per annum.
