Sylvia Ebersberger advises German and international corporate clients on all aspects of commercial matters including comprehensive cross-border projects and strategic co-operations. She focuses in particular on the support of transformation processes and innovation based projects and accompanies data-driven business models on a regular basis.

Given her long-term and continuous consulting for clients in the automotive industry, she has specific expertise in the automotive sector and is very familiar with the key issues along the entire value chain. Her advice ranges from drafting and negotiation of commercial contracts within the framework of development and manufacturing co-operations to supplier management and the optimization of processes and product portfolios on the basis of intensive usage of data.

Sylvia is recommended by JUVE Rechtsmarkt as one of the "Top 40 under 40" lawyers across law firms, industry and the judiciary in Germany, because "with her specialization the Munich based lawyer hits the nerve of the times".

Sylvia is head of DLA Piper's international Sub Group Automotive.
