At DLA Piper, we have teams of lawyers dedicated to helping founders, entrepreneurs, startups, emerging growth companies, whether in the technology, life science, healthcare, consumer or entertainment industries, and angel and venture capital funds, corporate strategic investors and other institutional investors with their venture capital or other strategic transactions. Our global platform means we are well placed to represent clients investing abroad and portfolio companies going global. In the US, our geographic reach and experience is vast.

In the last three years, we have completed over 1,800 financings totaling nearly US \$58 billion. Drawing on this strong track record, we use our extensive network of angel, venture and corporate investors to connect clients to capital.
