

White Collar Crime, Investigations and Compliance Symposium

5 October 2021

11:00 AM - 5:00 PM (UTC-05:00)

Webinar

Join DLA Piper and thought leaders from leading global organizations for a series of virtual sessions intended to provide guidance on the prevention and avoidance of corporate crime, risk based compliance strategies to help minimize exposure and tailored, proportionate and cost-effective solutions for when a crisis does arise.

Topics covered will include trends in regulatory and competition law enforcement, an introduction to Aiscension, class actions and allegations of corporate misconduct, risks of class action litigation in light of alleged corporate misconduct and global fraud recovery. Experienced professionals in the field will examine the prevalent themes and offer insights on what your company can do to make it right when things go wrong.

DLA Piper (Canada) LLP is proud to host our first ever global symposium dedicated to white collar crime, investigations and compliance.

Contact our events team to receive a recording of the symposium.
