Exchange - International: Financial Services Regulation Newsletter

28 January 2021

Exchange - International: Financial Services Regulation Newsletter

Welcome to the latest edition of Exchange - International, our global newsletter designed to keep you informed of the latest regulatory developments in the financial services sector. In this edition, we look at analyses of the historical UK-EU Trade Agreement, touch on practical insights in light of Individual Accountability regime in Ireland, and shine light on recent developments in the EU, US, Spain and on international level.
