Sammy Fang is a Partner in DLA Piper's Litigation and Regulatory group. He heads DLA Piper's compliance and investigations practice across Greater China.

Sammy is a compliance and investigations specialist with deep experience of local and cross-border regulatory issues in Greater China. He represents both multinational corporations and locally based companies on product liability, regulatory compliance and investigations (ranging from internal fraud and other white-collar crime, to anti-bribery and anti-corruption and cyber security/cybercrime).

His experience covers a wide range of industries and areas of specialty including life sciences, technology, hospitality and leisure, consumer products, industrial products and manufacturing, aviation, marketing and online media, and have dealt with crisis, disputes and investigations across multiple jurisdictions including Mainland China, US, Hong Kong, Australia and South East Asia.
