During the last 30 years of practice, Richard Fens has built an excellent reputation as a valued Corporate/M&A adviser to major corporate and sector focused private equity clients. His particular focus is on the Industrials (with focus on Chemicals/Energy clients) and Technology sectors.

Since 2019 Richard is acting as Global Co-Chair for our firms' Industrials Sector.

His clients include BASF, Blue Water Energy private equity, Global Energy Storage (GES), Rheem Manufacturing, Saudi Basic Industries Corporation (SABIC), UGI Corp, General Electric (GE), Harman Technologies, Qualcomm and Atos. For such clients he also acts as board room counsellor, in addition to assisting them with international M&A transactions and complex restructurings.
