Megan Filmer est associée au bureau de Vancouver de Davis S.E.N.C.R.L. et pratique le droit commercial, le droit des sociétés et le droit des créances. Elle se consacre aux achats et ventes d'entreprises, aux prêts et aux opérations de financement en prodiguant des conseils à ses clients sur une foule de contrats commerciaux, notamment des conventions d'actionnaires et des contrats de sociétés de personnes, et en aidant ses clients à régler certaines questions liées à l'entreprise et à sa gouvernance.

Me Filmer agit à titre d'avocate principale pour diverses entreprises établies en C.-B. qui évoluent dans de multiples secteurs en les aidant sur le plan de leur planification stratégique, de leur croissance, de leurs contrats commerciaux et de la gouvernance et du financement d'entreprise.

En tant que conseillère-clé pour chacune des organisations en question, Me Filmer tire profit des spécialistes rattachés au cabinet, notamment dans les domaines de la fiscalité, de l'immobilier, des litiges, de la propriété intellectuelle et du droit du travail. Elle s'assure de répondre aux besoins de ses clients en temps voulu, et de façon économique et réfléchie.

Elle agit fréquemment pour le compte d'emprunteurs et de créanciers (y compris des banques à charte canadiennes), en ce qui a trait à des opérations de prêt complexes qui font fréquemment appel à des syndicats de prêt, du financement transfrontalier et des structures de prêt sur mesure. Elle contribue à la structuration d'accords de financement de la façon la plus efficace possible, arrivant ainsi à servir ses clients en temps voulu et conformément à leur budget.

Me Filmer contribue aussi fréquemment à la mise en œuvre de réorganisations et de restructurations d'entreprises.
