

Financement

DLA Piper advises on all aspects of financing, across borders, sectors and financial products.

With one of the largest teams of dedicated finance lawyers in the world and an established local law firm network, we help our clients to realize their financial strategies in whichever markets they do business.

Our clients include the full range of market participants, whom we often support on first-of-a-kind deals and in new markets.

We share knowledge and skills in deals involving, for example, lending and borrowing, debt securities, derivatives, funds, portfolios and FinTech solutions, as well as energy, infrastructure and other projects.
