Prof Dr Ludger Giesberts advises companies, financial institutions, trade associations, public undertakings, federal and national authorities as well as municipalities on all matters regarding environmental and product safety and product liability law, EU law, aviation law, planning, export control law as well as on public-private partnership projects and government affairs.

He advised many companies, authorities and associations before administrative courts, the ECJ and the CFI, inter alia the working group of German commercial airports (ADV), airlines, various federal ministries and industrial companies.

Ludger heads the German Litigation and Regulatory group of DLA Piper comprising more than 85 lawyers. He is also a member of the firm-wide DLA Piper Brexit Committee, which coordinates and implements the firm's approach with respect to the legal consequences of the Brexit.
