

Global Compliance and Investigations Podcast

Governments and corporates are under increasing scrutiny to meet legal and regulatory standards across the globe. Our compliance and investigations team discuss key trends to keep you up to speed on how the landscape is changing across all regions. Keep your finger on the pulse of key issues such as ESG, whistleblowing, modern slavery, corruption, dawn raids and more.

Each episode is under twenty minutes long so that you can listen to important developments whilst on the move.
