Employment Alert

19 December 2019

As we look ahead to the arrival of 2020, we thought we would take a few minutes to check whether you were studious enough in following our global employment legal updates this last year.

So, for a few minutes of entertainment and edification, we offer our annual global employment law quiz here so that you may see how you are faring.

Of course, if you'd like to do a bit of last-minute cramming before taking the quiz, take a look at our [Global Employment Law: 2019 in review, 2020 preview](#). We also hope you will want to study for next year's quiz by signing up for one of our upcoming [Employment Law Briefings](#).

For even more information and global employment updates, you can also check out our [Be Global](#) series, our [Guide to Going Global](#) and our [employment law blog \(the Labor Dish\)](#).

Finally, those who are already among our clients may request access to [GENIE](#), our employment law resource.
