First-Time Fund Managers

We know that establishing a fund can be a challenging exercise for an investment manager with a strong track record, let alone for a first-time fund manager.

That's why we have created our first-time fund manager offering which simplifies the process for advising first-time fund managers about the structuring and principal terms of their funds.

Our offering includes:

- Legal, regulatory and tax fund structuring advice
- Drafting bespoke term sheets
- A "one-stop shop" for advice about the establishment of your fund
- Introductions to our network of preferred service providers of administrators, depositaries and hosting platforms

If you are a first-time fund manager and would like to discuss our offering, please contact Sam Whittaker.
