Silke Goschler focuses on national and international trade and distribution law, including CISG, Incoterms and e-commerce. She advises national and international clients in various industries, in particular automotive, chemicals, consumer goods, fashion and industrials. Her experience includes the drafting and negotiating of commercial agreements (individual and standard agreements / general terms and conditions), e.g. for the purchase and sale, distribution (including agent, distributor and franchising agreements), services, logistics and co-operation, as well as product liability and product safety.

Silke has significant in-house experience through various secondments. She spent several months in globally operating companies in the chemicals, consumer goods and medical technology industries.
