Robert Groves is a corporate lawyer who has extensive experience in all aspects of secured lending transactions, whether acting for borrowers or lenders. He is also very familiar with all commercial aspects of insolvency transactions.

Robert has worked extensively for secured parties in structuring and drafting mineral streaming agreements. He also has particular expertise in real estate matters relating to housing co-operatives, including the regulation and financing of their operations.

As part of his corporate practice, Robert has provided advice on credit union regulatory matters with an emphasis on issues relating to privacy and protection from money laundering.
