

Guides to doing business in Africa

May 2021

Our new publication series, Doing Business in Africa, entails a collection of country guides that has been designed to offer clients a high legal overview of key legal issues in each of our Africa jurisdictions.

The guides cover a range of topics, i.e. country overview; business vehicles/structures for doing business; business rights and the regulatory environment; employment; corporate governance; banking and finance; investment regulation; tax; dispute resolution; exiting an investment etc.

The guides hope to answer frequently asked questions in a concise and efficient manner and, whilst not intended to constitute or replace legal advice, serve as a useful starting point. The guides are updated annually.

This series is a valuable resource for business people and investors with an interest in Africa.

Currently we have 17 guides: Angola, Burundi, Ethiopia, Ghana, Ivory Coast, Kenya, Mauritius, Morocco, Namibia, Mozambique, Nigeria, Rwanda, South Africa, Tanzania, Uganda, Zambia and Zimbabwe.
