Xavier Guzman is a Banking, Finance and Restructuring lawyer. He has in-depth experience on cross-border banking and finance work (including secured lending, leveraged and acquisition finance, energy finance, sports finance, and funds finance), bond issuances and securitisation.

Xavier has created close client relationships aiming at being at the forefront of his clients' needs by thinking innovative. He regularly advises a vast panel of banks and financial institutions, alternative credit providers, asset managers, private equity houses, real estate investment structures, (re)insurance companies, and other international corporates.

Much of the work that he does is the Luxembourg element of complex projects, advising clients on their finance, acquisition and restructuring needs for business activities that span multiple jurisdictions and continents.

He regularly publishes articles and newflashes thereby providing market insights to clients and players on the changes in legislation, trends and other important events of the Luxembourg legal market.
