Xavier Guzman focuses on Banking, Finance and Restructuring work. He has in-depth experience on cross-border work, including secured lending, leveraged and acquisition finance, asset-backed finance and funds finance, and securitisation.

In addition, Xavier has extensive experience in insolvency and restructuring matters, and also handles, for selected clients, global corporate and finance reorganisations.

Xavier regularly advises banks and other financial institutions, alternative credit providers, asset managers, private equity houses, real estate investment structures, (re)insurance companies and other international corporates in these fields.
