9 November 2020

Cash pooling program is a treasury tool which enables a corporate group to concentrate and utilize cash among its group members for better cash flow management and intra-group financing.

AEO Certification Series (I)

27 October 2020

It is believed that most enterprises are no stranger to customs authorized economic operator (AEO) certification, and probably understand that this is a classified management approach of enterprises adopted by Customs. However, many enterprises still have reservations about whether it is necessary to apply for AEO certification and become an AEO.
