

知识产权与技术

DLA Piper is one of the most widely recognized providers of a full range of commercial, intellectual property law, privacy, sourcing and technology law services for leading businesses worldwide.

Our lawyers provide both litigation-related (contentious) and strategic commercial advice to a wide range of industry sectors, helping clients from emerging technology and pharmaceutical companies to established banks and financial institutions achieve their objectives wherever they do business.

Our IPT practice encompasses nearly 500 dedicated lawyers in more than 24 countries, with particular strength in key global markets. Intellectual property and technology law is at the core of any major business transaction or strategic dispute and has become one of the most critical legal areas as companies continue to expand and protect their technologies, brands, products, data and services around the globe.

Our group is recognized worldwide by legal directories and industry members as one of the leading groups of its kind, seamlessly combining multi-jurisdictional reach with local knowledge and experience.
