

Investigations

With the world's largest network of dedicated investigative professionals and dispute lawyers, DLA Piper's Global Investigations team provides guidance on all criminal, regulatory and crisis scenarios.

"Our experience and presence in the world's key regions enables us to deploy multi-disciplinary, cross-border teams to deal with every shade of corporate, regulatory and internal investigation." *Senator George J. Mitchell, Partner and Senior Advisor, DLA Piper*

Comprising white collar crime and regulatory defense lawyers, dedicated investigative lawyers, and former regulators, government attorneys and prosecutors, our multi-disciplinary and cross-border team can deal with all kinds of investigation, in particular relating to audit inquiries, bribery and corruption, fraud, money laundering, market abuse, tax evasion, product liability, labor law issues, sanctions breaches and anti-competitive behavior; we regularly manage complex cross-border investigations and asset recovery exercises and we can assist to prepare for and respond to cyber-attack.

We can respond to challenges of any size, tailoring individual teams to the needs of our clients. We commit to providing services of the highest quality and integrity (including data management) and to do so efficiently and cost effectively.

We are one of a few international law firms with a dedicated and substantial global Investigations team with proven ability to share expertise and resources across our global platform. Our local advisors in the US, the UK, Europe, Middle East, Asia and Australia have deep experience and resources in handling criminal, regulatory and internal investigations for multinational companies with operations and businesses spread across the globe.

Our team also works side-by-side with our compliance specialists to assist multinational companies to conduct innovative proactive compliance reviews, develop effective compliance programmes to control risk, train employees, create monitoring and auditing procedures, and devise strategies for remedial action. This innovative approach sets us apart from traditional investigation practices.

Our core investigatory and compliance services include:

- Subject matter, sector based or country orientated investigations
- Internal investigations, regulatory investigations and criminal investigations
- Risk reviews, regulatory risk gap analysis and proactive compliance strategy audits
- Expert insight into the latest regulatory developments, investigation 'hot spots' and enforcement

EXPERIENCE

- Served as counsel to former Senator and Secretary of Defense William S. Cohen and worked alongside staff from The Cohen Group in support of his independent review of the US EPA's evaluation of the environmental risks potentially posed by mining in Alaska's Bristol Bay watershed. The investigation culminated in a 346-page public report which details the investigative process, sets out a factual record, and provides Secretary Cohen's recommendations for policymakers.
- Acting for a global healthcare organisation on an internal investigation into two business units regarding the suspicion of antitrust violations (price arrangements, internal market issues) and criminal offences (bid rigging, fraud to the detriment of doctors and hospitals), and disclosure to and contact with the Cartel authorities and Public Prosecutor's Offices. The investigation included reviewing of employees' email accounts, dealer arrangements, employee incentive arrangements, interviewing numerous employees and management, taking remedial actions including dismissal of management and other disciplinary actions.
- Advising a Consultancy firm on an investigation into kidnapping in Sudan, allegations that the kidnap and rescue negotiators acted negligently, involved interviews conducted in multiple locations throughout Africa, including Sudan, South Africa, and additional interviews in London, North Carolina and Washington DC, with court hearings in New York.
- Advising two senior officers of an Australian-based regional provider of engineering services across Asia in respect of allegations of inappropriate payments in tender processes for major infrastructure projects in Vietnam in the period 2006-8 and in the Philippines in the period 2006-2010.
- Advising a publically listed Chinese fertiliser company regarding investigations in Canada, China and Mongolia related to accounting irregularities. Also represented the client in responding to the related investigation by the Ontario Securities Commission and the TSX.
- Representing a multinational conglomerate in two criminal antitrust investigations by the US Department of Justice, Antitrust Division and involved in follow-along civil litigation in Japan, the UK, and the United States.
- Investigating and advising on sanction proceedings for a leading European independent investment bank before the AMF regarding compliance issues and insider dealing.
- Representing a major Australian bank in large scale and complex investigations by both the Australian Competition and Consumer Commission (ACCC) and the Australian Securities and Investments Commission (ASIC) concerning trading practices in the \$5.3 trillion dollar per day international foreign currency exchange market, over a 6 year period.
- Advising an international insurance and financial services organisation and conducting a global internal investigation covering all of its subsidiaries across more than 30 countries in Europe, Middle East, Asia and Africa, to determine whether or not there were any potential OFAC investigations.
- Investigating on behalf of a food manufacturer, whistle-blower reports about alleged irregularities surrounding a tender in an African country and the possibility of corrupt payments to government officials. The internal investigation covered six jurisdictions.
- Advising a listed global provider of consumer products in respect of integrity and compliance issues raised by a UAE-based whistleblower and conducting the related investigation. Additionally advised on all Middle East aspects of a wide-ranging global compliance and integrity review across multiple jurisdictions.
- Assisting a major Asia based global transportation company in relation to a series of regulatory and criminal interventions that have regulatory impact in markets within and outside of Asia, including assisting with their internal investigations and responding to regulator inquiries.
