Miray Kavruk advises clients in all areas of intellectual property law with a focus on intellectual property and technology transactions and transfers, including patents, trademarks, copyrights, know-how and trade secrets. She has longstanding experience in the area of strategic licensing, research and development projects, collaborations and national and international IP and technology driven Joint Ventures and M&A transactions. Miray also assists clients with intellectual property and technology issues arising in connection with financings and restructurings.

She further regularly represents national and international companies in litigations for the enforcement and defense of IP Rights before national courts and advises clients in proceedings before the German Patent and Trademark Office and the EUIPO and WIPO.

Miray primarily advises clients in the industrials, life sciences and consumer goods sector.
