Aline Kiers focuses on a wide variety of financial regulatory matters. She advises banks, investment firms and funds, financial services providers as well as Fin Tech and other financial institutions on many different aspects of Dutch and European financial regulatory rules and regulations. This includes advice regarding licence applications and notifications, AML and KYC requirements, prudential and market conduct supervision.

Publications

EBA publishes Final Guidelines on the limited network exclusion

14 April 2022

On 24 February 2022, the European Banking Authority (EBA) has published its Final Guidelines on the limited network exclusion under the Payment Service Directive (PSD2).

The Netherlands - Brexit for the Insurance Sector

1 March 2021

Insurance Horizons

Insurers and Insurance distributors in the Netherlands are supervised through a twin peak model, with supervision tasks divided between the Authority for Financial Markets (AFM) (conduct supervision) and the Dutch National Bank (DNB) (prudential supervision).

Insurance investments post-lockdown: Ensuring stable returns in an unstable world

20 August 2020

Insurance Horizons

The impact of the COVID-19 pandemic on investment portfolios of insurers and pension funds is not yet fully visible, but already has the potential to cause nightmares to board members across the globe.
