Sang Kim concentrates his practice in international tax and operational structuring; global transfer pricing strategy; cross-border mergers, acquisitions, dispositions, and joint ventures; post-acquisition integration; and international tax controversy. He frequently serves as the managing international counsel for multijurisdictional and multi-disciplinary transactions.

Sang leads the firm's US-Asia initiative and deeply involved with Diversity and Inclusion efforts. He has led several hundred global expansion and structuring matters for companies across a wide spectrum of industries, including technology, consumer products, life sciences, energy, media, technology services, funds, manufacturing and distribution.

Within these industries, he has worked extensively with clients in the software, semiconductor, EV, biotech/pharma consulting, data storage, data security, social/ecommerce, gaming, consumer electronics, retail, medical devices and networking industries. He has also worked closely with numerous clients doing business in China, India, Brazil, Russia and other key emerging economies.

Sang is a member of the US Management Committee and serves on DLA Piper's Global Board and US Executive Committee. He is currently Co-Chair of the Global Tax Practice and Chair of the US Tax Practice.
