Dr Anja Köritz advises in all aspects of corporate law with a particular focus on stock corporation and capital markets law as well as corporate governance and compliance issues.

She has broad experience in advising listed and non-listed stock corporations and their management and supervisory boards in a broad range of corporate governance issues and compliance matters including in respect of the law of affiliated companies as well as capital market law in particular in connection with post-listing compliance obligations. Furthermore, Anja advises companies in capital measures, such as secondary placements and subscription rights issues, squeeze-outs as well as restructuring measures pursuant to the German Reorganisation Act (UmwG). In addition, she has a wide range of experience in the field of litigation following restructuring measures or squeeze-outs under stock corporation or reorganisation law.

Publications

Significant changes to notification obligations to the German transparency register on ultimate beneficial owners

2 July 2021

To create the data requirements for the connection of the European transparency registers on ultimate beneficial owners, the German legislator has introduced fundamental changes to the German Anti-Money Laundering Act (Geldwäschegesetz) that affect the obligations to file information on ultimate beneficial owners with the German transparency register by way of the Transparency Register and Financial Information Act.

- Convergence and Divergence of Corporate Governance in Germany and Great Britain, Nomos 2010
- Regular publications in case law on company valuation in a journal for valuation analysts (BewertungsPraktiker)

Events

- 11th EACVA Conference 2017, Munich: Current case law on company valuation in appraisal proceedings

NEWS
