Ewa Kurowska-Tober focuses her practice on advising on matters related to IT, telecommunications and advanced technologies law. She also advises companies from the telecoms and media sectors on M&A and private equity transactions.

Ewa advises clients from highly regulated industries, combining her experience in commercial contracts with an in-depth knowledge of regulatory matters.

She advises leading media and technology companies on IT and internet law, cloud computing, e-commerce, broadcasting and distribution contracts, as well as on licensing agreements and agreements for the implementation and maintenance of IT systems.

Ewa has considerable experience in data protection law, advising on large-scale global privacy compliance programs, cross-border data transfers, data security polices and whistle-blowing. She also focuses on IP law, with a focus on copyrights, trademarks, unfair competition and advertising law.

Ewa is a legal expert of the Polish Bank Association with respect to data protection and GDPR, and a lecturer at New Technologies Law Studies at the Institute of Law Studies at Polish Academy of Sciences (PAN).
