F: +49 221 277 277 30

Saskia Lais advises German and international corporate clients on copyright-related matters and has vast experience in trademark and design right issues, as well as unfair competition questions, especially in the sector of prize draws/raffles and misleading advertisement.

In addition, Saskia deals with youth protection issues in regards to advertisement and marketing tools addressed to minors. She has broad knowledge of distribution and agency agreements. She is also very familiar with product liability issues and checking compliance with general terms and conditions.
