Marine Lallemand has over 15 years' experience assisting clients handling complex crises and sensitive disputes, whether corporate, commercial or financial.

With a substantial track record advising private equity funds, financial institutions and multinational corporate, Marine has developed a particular know-how on complex commercial and financial disputes, contentious corporate matters such as shareholders' and post-acquisition litigation, insolvency and distressed M&A disputes.

Ranked "Up and Coming" by Chambers, clients describe her as "proficient, effective and very responsive" and praise her for her direct approach and capacity for succinct analysis.

She also assists clients in complex international commercial disputes involving multiple jurisdictions and additionally advises on financial services litigation and white-collar crime issues.

Marine provides strategic advice, in pre-litigation or litigation phases, and represents clients before French courts and regulators. She also offers notable expertise in domestic and international arbitration and alternative means to solve conflicts outside of the courtroom (ADR).

Force Majeure Certificates in a global context: What are they and what is their effect?

30 April 2020

On 30 January 2020 the China Council for the Promotion of International Trade announced that it would offer Force Majeure Certificates to local businesses. The intention was to assist them in prospective disputes with foreign counterparties.

The coronavirus COVID-19 pandemic in France – force majeure and contractual good faith

10 April 2020

The French economy is currently facing rather extraordinary circumstances both as a result of the coronavirus COVID-19 pandemic and the measures taken by the Government to fight it. This pandemic and its consequences may jeopardize the proper performance of contractual obligations by those who are bound by them. The issue of force majeure therefore arises.
