Arbitration proceeding in the time of Coronavirus

26 May 2020

The Italian government, driven by the aim to counter the epidemiological emergency from COVID-19, has adopted, over the last few weeks, several measures in order to conform to the recommendations given by scientists. These measures affect different aspects of civil society, including the administration of justice and, in particular, arbitration.

Le procedure arbitrali al tempo del coronavirus

11 May 2020

Al fine di contrastare l'emergenza epidemiologica da COVID-19, il Governo italiano nelle ultime settimane ha adottato progressivamente numerose misure per adeguarsi alle raccomandazioni fornite di volta in volta dal mondo scientifico. Tali misure riguardano anche l'arbitrato.
