Recognitions

Chambers USA has recognized Greg for his Technology and Outsourcing practice and has stated that he "maintains a broad practice, offering experience in a range of outsourcing and licensing transactions, and is particularly renowned for his prowess in the cloud computing arena." "Sources consider him to be 'highly efficient and a good strategic thinker'" and have said that he "provides 'an exceptional level of responsiveness and pragmatism' in his advice on software implementation and technology licensing."

The respected legal directory, *The Legal 500*, has repeatedly noted Greg for his work on complex and high-value deals, noting him as "exceptional." The publication also noted that he is part of an active Tier 1 practice where the "lawyers are pragmatic in their approach, possess sound technical knowledge and are very responsive" and hold "expertise in both the legal and business sides of outsourcing."

Additionally, he has been named to the *National Law Journal's* "40 Under 40 Chicago Rising Stars" list. One client told *National Law Journal*, "Greg is an outstanding attorney...he led a lean and very efficient team."
