These steps are not based on laws of any one jurisdiction but rather are designed to provide a global employer with themes to consider, understanding that what may be suitable for each employer may vary greatly depending on the employer's unique circumstances.

Coronavirus: Key employment legal issues for multinational employers (Europe, AsiaPac)

25 February 2020

As the number of coronavirus COVID-19 cases exceeds 40,000, and with the World Health Organisation having declared the virus as a "public health emergency of international concern," employers the world over are putting in place plans to prepare for the risk of an employee becoming exposed to or ill with the virus.
