Episode 4 – enforcement of UPC decisions

23 September 2022

UPC on the go – Practical advice on the Unified Patent Court

Frank Valentin leads the DLA Piper Intellectual Property practice in France and has significant experience in the Tech and Life Sciences sectors. In this episode, Frank continues his conversation with Cédric Meiller, a senior IP lawyer also based in our Paris office, to discuss how judgments will be enforced in the UPC.

Episode 3 – how to choose the right court

26 August 2022

UPC on the go – Practical advice on the Unified Patent Court

Frank Valentin leads the DLA Piper Intellectual Property practice in France and has significant experience in the Tech and Life Sciences sectors. In this episode, Frank is joined by Cédric Meiller, a senior IP lawyer who is also based in our Paris office, to discuss how to choose the right court for your dispute in the new system.

How will the Unified Patent Court decide your case?

23 February 2022

The unitary patent and the Unified Patent Court (UPC) have moved another step closer since Austria's deposit of its ratification instrument triggered the start of the Provisional Application Period (PAP) on 19 January 2022.
