### Supporting your needs

- All our lawyers are aligned to industry sectors. We understand the internal and external pressures that our clients face throughout a transaction and the industry-specific issues critical to the success of a deal. We guide our clients through every stage of a deal-from due diligence and structuring, to negotiation and preparation of deal documents, to post-transaction transition and post-merger integration.
- M&A activities unavoidably affect other areas of company law, such as employment, pensions, tax, financial services regulation and corporate governance. Our deal teams include practitioners from these and other areas of law to address all aspects of a deal.
