

Navigating China: The digital journey

China's cybersecurity and data protection regulatory landscape is evolving quickly. Is your company ready for the rapid change in data and cybersecurity enforcement? Read DLA Piper's Greater China TMT team's series on China's evolving cybersecurity and data protection landscape, Navigating China: The digital journey.

ISSUES

Navigating China Episode 20: PIPL has finally arrived, bringing helpful clarification (rather than substantial change) to China's data privacy framework

24 August 2021

Navigating China: The digital journey

In good news for organisations handling personal information, China's Personal Information Protection Law (PIPL) was finalised on 20 August 2021, and will come into force on 1 November 2021.

Episode 16: New data classifications and data localisation for financial institutions in China

21 April 2021

Navigating China: The digital journey

Important new guidelines outlining how personal and other types of financial information should be handled by financial institutions throughout the data lifecycle have just come into force in China, including a new data localisation obligation.

Episode 15: Comprehensive New E-Commerce Rules Introduced

23 March 2021

Navigating China: The digital journey

Operators of e-commerce platforms, websites and apps in China, and those using third party e-commerce, social media or livestreaming platforms to sell their products and services in China, must update their operations, services and systems in advance of wide-ranging new rules.

Navigating China Episode 14: New draft national, harmonised data protection law for Mainland China

23 October 2020

Navigating China: The digital journey

A first national level personal information protection law for Mainland China has been published, reinforcing and heightening existing data protection compliance obligations for organisations doing business in China.

Navigating China Episode 13: (More) Important Developments in China's Privacy and Cyber Laws

10 June 2020

Navigating China: The digital journey

China's privacy and cyber authorities have been busy in the last month enacting substantial enhancements and clarifications to data protection compliance obligations; and even more changes are expected before the end of 2020.
