Richard Norman has considerable experience in litigation and dispute resolution. He advises clients on the whole spectrum of commercial disputes and specialises in litigation, mediation and international arbitration. He works for clients across many industry sectors (including IT, telecoms, life sciences and manufacturing) on how to avoid, manage and resolve disputes.

Richard is the architect behind the highly successful market-leading WIN (What In-house lawyers Need) initiative across the global firm, which has won several prestigious industry awards such as the FT Award for Innovation in Client Service and the Legal Week Innovation Awards. WIN has over 8,000 members and has provided training to over 5000 clients.

Richard is experienced in managing the full range of commercial disputes on a global basis. In particular, he has handled a comprehensive range of IT&T disputes. He has acted on reported IT and telecommunications disputes in the High Court and the Court of Appeal, and been involved in several high profile mediations in the Commercial Court/the Technology & Construction Court. Richard has also been involved in several international arbitrations.

Richard's clients have access to his fully bespoke litigation managed service which provides a global offering to his clients

Richard's client base includes multinational telecommunications company, multinational consumer goods company, Arqiva, Atos, Adobe, CBRE, Gamma Telecom, Merlin, Neos Networks, Tata Communications and Telenor.

## Reported cases

- *Colt Technology Services v Seecomm Network Services Inc* (High Court/US Court)
- *Geo Networks v euNetworks* (Commercial Court, London)
- *R v Sheffield City Council ex parte Hague and Tesfayohannes* (High Court/Court of Appeal/House of Lords) – acting for Sheffield City Council in judicial review proceedings

- *Arnold Laver Limited v BCT Software Solutions Limited* (High Court/Court of Appeal)

## Key experience

- Acting for a Danish telecoms supplier against its New York customer in ICC Arbitration proceedings. The case involved allegations of fraud, duress and wrongful termination.
- Representing a major international telecoms supplier concerning loss of its confidential customer database. The case involved the successful application for interim mandatory injunction. Richard also worked with our Global Government Relations team handling national press interest.
- Acting for a global IT supplier regarding the provision of telecoms equipment in the Congo. Advice concerned injunction and a claim for substantial damages against directors/shareholders.
- Acting for a major UK IT supplier in respect of several disputes concerning the implementation of SAP software in the Technology and Construction Court.
- Acting for a leading telecommunications company in the Federal Court of New York and in the High Court of England regarding a dispute with a customer following suspension of service. The case concerned an application to dissolve a Temporary Restraining Order and separate proceedings in the UK.
- Acting for a major telecommunications company in respect of a large-scale commercial fraud committed using prepaid call cards and premium rate numbers across various international jurisdictions.

## CREDENTIALS

---

### Publications

#### WIN Wise: Liquidated damages for delay in tech disputes

30 June 2020

The current COVID-19 pandemic is wreaking havoc on businesses and their operations across sectors and geographies. The unprecedented spread of the virus has had, and will continue to have, a profound impact upon both suppliers and customers in delivering technology projects on time and to budget.

---

## WIN WISE: IT Projects and dispute avoidance

14 May 2020

Underestimated costs, unexpected delays and poor governance are just a few of the reasons why some IT projects fail. COVID-19 has now potentially created the perfect storm. This dispute-avoidance checklist highlights what parties can do during the lifetime of an IT project to minimise the risk of disputes.

---

## Navigating your business through technology disputes risks

9 April 2020

Novel coronavirus disease (COVID-19) has completely rocked the business world and changed the operations and responses of companies around the globe. Technology is business critical to every company and sector. Whether you are a supplier or a customer with ongoing tech contracts - our clients are already encountering numerous key issues.

## WIN

---

Richard is the firm's lead partner on our What In-House Lawyers Need (WIN) initiative. WIN provides in-house lawyers with resources and networking opportunities addressing the specific technical, commercial and personal aspects of working in-house. There's also an online community and resource centre – visit the website to find out more.

Richard and his team have also developed an innovative, unique and bespoke litigation managed service. Please contact him for details or [read more](#) (pdf).

The graphic features the DLA Piper logo in the top left. The main title is 'DLA PIPER'S MANAGED LITIGATION OFFERING' with the subtitle 'Eliminating the challenges of managing litigation'. Below this, there is a detailed description of the service and its benefits. The central part of the graphic consists of two circular diagrams. The left diagram, titled 'CLIENT'S PROBLEM', is divided into four segments: 'Limited legal budget', 'Inconsistent legal services', 'Complex legal issues', and 'Lack of in-house expertise'. An arrow labeled 'DLA Piper's Managed Litigation Service' points from this diagram to the right diagram, titled 'OUR SOLUTION'. The right diagram is divided into four segments: 'Single point of contact', 'Streamlined processes', 'Proactive problem prevention', and 'Integrated legal services'. At the bottom left, there is a small text box with contact information for Richard Newman, a Partner in Litigation and Regulatory. The contact details are: Richard Newman, Partner, Litigation and Regulatory, T +44 (0) 20 7653 3627, M +44 (0) 7542 528 870, Email richard.newman@dlapiper.com. The bottom right corner of the graphic contains the text '© 2019 DLA Piper'.

DLA Piper and you will ensure that your particular requirements are met whether that be geographical coverage, cost management or specific reporting requirements. In discussion we can tailor the service for your needs, please contact:
