Anna Lena Nowicki advises national and international companies in the field of commercial criminal law.

The main focus of her work is advising companies affected by criminal offences committed by third parties or company employees. She also represents companies before investigating authorities and courts.

Another focus is advising companies on extensive internal investigations concerning detection, prosecution and prevention of internal company irregularities. In the course of this Anna Lena regularly conducts employee surveys.

As part of criminal compliance issues, Anna Lena advises companies primarily on the introduction or further development or review of compliance systems.
