T: +562 2798 2600

F: +562 2798 2610

Sofía O´Ryan concentrates her professional practice in competition law. In this context, she advises on matters related to merger control procedures, unilateral conducts and cartels, both in investigations before the National Economic Prosecutor's Office (FNE) and in proceedings before the Tribunal for the Defense of Competition.

Sofía advises on and assists in the design and implementation of commercial policies consistent with the strategic objectives of each client and current regulations, as well as in the development of compliance programs and internal investigations for the timely prevention and detection of potentially risky behaviors, assisting clients in the definition of the most appropriate solutions.

Earlier in his career, she worked in the National Economic Prosecutor's Office (FNE) as Coordinator of the Merger Division and later, on the Antitrust Division.
