Brazil's FIAGRO promotes agribusiness: key points about this new form of investment

4 August 2022

Panorama

By creating the FIAGRO structure, the Brazilian government is aiming to move financing of agricultural production from public subsidies into private hands.

M&A and private equity in LatAm in 2022: Driven by digitalization

21 July 2022

Panorama

In the last two years, tech sector mergers and acquisitions (M&A) and private equity (PE) have seen continuous growth and show no signs of slowing down.
