Dwayne Paul is an associate in the Chicago office. A member of the firm's Investment Management practice, Dwayne advises and represents investment managers and fund sponsors with respect to all aspects of the structuring, establishment, and operation of private investment funds across a broad range of asset classes, with a focus on real estate, infrastructure, and private equity.

Dwayne also advises clients on investment transactions including co-investments, joint ventures, seed capital arrangements, and secondary market sales of fund interests. He also has experience advising clients on securities regulations and compliance matters.

Prior to practicing law, Dwayne spent over 12 years in the investment management industry, with a primary emphasis on alternative investment strategies.
