Caroline Pimpaud has a strong experience in corporate and investment funds laws. She has advised major private equity firms and asset managers on complex cross border transactions.

She focuses on the structuring and formation of Luxembourg domiciled and non-Luxembourg domiciled alternative investment funds under the form of regulated or non-regulated vehicles for private equity, venture capital, real estate, debt and infrastructure asset managers, as well as for major insurance companies. Caroline is assisting clients on all legal aspects of the funds formation as well as on the negotiation of the contractual relationships with the service providers. She supports clients in their need for legal and regulatory compliance advice on a day-to day basis.

Caroline also advises investors on their investment fund review for their investments in Luxembourg based investment funds and in their negotiations with fund managers.

#### Comparing ESG disclosure rules for funds in the EU, UK and the US - SFDR, SDR and SEC proposals

5 October 2022

Are there any inconsistencies between SFDR, SDR and the SEC Proposals? Is there one approach to rule them all or are funds headed

down a pathway of differentiated disclosures? If so, how might that affect ESG strategies? Discover the key features of each of the regimes, including their approach to ESG strategies, labelling and key disclosures.
