EC Proposals for reform of AIFMD, UCITS Directive and the ELTIF regime: Welcome changes or regulatory creep?

20 January 2022

Following its review of the scope and functioning of the AIFMD, the European Commission has concluded that the AIFMD's standards for ensuring high levels of investor protection are mostly effective, but that amendments are required. The EC published new legislative amendments to AIFMD, the UCITS Directive and the ELTIF Regulation.

European Commission's Proposals for reform of AIFMD, UCITS Directive and the ELTIF regime

26 November 2021

Following its review of the scope and functioning of the Alternative Investment Funds Manager Directive¹ (AIFMD), the European Commission (the Commission) has concluded that the AIFMD's standards for ensuring high levels of investor protection are mostly effective, but that amendments are required which are intended to be targeted in scope, but may have far-reaching effects.

The Commission has now published new legislative amendments to AIFMD, the UCITS Directive² (UCITSD) and the ELTIF Regulation³ (ELTIF Regulation) (the Commission Proposal). The proposed amendments set out in the Commission Proposal will be introduced by way of an omnibus directive amending the AIFMD, UCITSD and the ELTIF Regulation.⁴
