András Posztl has extensive experience in international and domestic mergers and acquisitions, equity capital markets and private equity work.

He works with international and Hungarian corporates, as well as with family-owned companies, particularly in the Energy and Media sectors.

He is widely recognised as a leading M&A lawyer and leads the Mergermarket rankings in Hungary for the volume of transactions he has been involved between 2005 and 2021.

Hungarian German
English

- Advising an Italian multinational oil and gas company on several buy-side and sale-side transactions, providing full-scale due diligence.
- Advising one of the largest media houses in Hungary on its acquisition. Our work included legal due diligence and we assisted the client during the whole process.
- Advising one of the largest frozen bakery companies in the world on the acquisition of one of the most successful bakery franchises in Europe. This multijurisdictional mandate required in-depth knowledge of franchise law, intellectual property law and top quality transactional know-how.
- Advising one of the leading companies in the Hungarian agricultural market on the sale of its minority shareholding and buyout of the majority shareholding.

Professional Qualifications

- Lawyer (Ügyvéd) admitted to the Budapest Bar Association (Budapesti Ügyvédi Kamara)

Recognitions
